

What is the State of Emergency?

An exceptional situation declared to ensure a return to normal life in a democratic society. This time it is due to the COVID-19 virus pandemic.

It affects the whole of Spain, from 14th to 29th March, and may be extended.

WHAT'S NOT ALLOWED:

1. Being in public thoroughfares, except in cases permitted by law.
2. Being on public roads with another person.
3. Passengers in cars.
4. Walking on public thoroughfares with children, without just cause.
5. Visiting family, friends and neighbours.
6. Exercise activities in public areas.
7. Going to public shows.
