

Los Objetivos de Desarrollo Sostenible (ODS) constituyen un llamamiento universal a la acción para poner fin a la pobreza, proteger el planeta y mejorar las vidas y las perspectivas de las personas en todo el mundo.

En 2015, todos los Estados Miembros de las Naciones Unidas aprobaron 17 Objetivos como parte de la Agenda 2030 para el Desarrollo Sostenible, en la cual se establece un plan para alcanzar los Objetivos en 15 años.
